

One&Only

Le Saint Géran, Mauritius

One&Only Le Saint Géran nestles peacefully in its own private peninsula on the coast of Mauritius, fringed by over a mile of white sand beaches.

Terraced and balconied rooms all face out privately to the Indian Ocean. Under the calm sway of countless coconut palms, 60 acres of grounds take in tropical gardens, poolside and ocean dining. With immaculate health and beauty treatments, golf, tennis and water sports, here is a place that always fulfils the promise of its timeless reputation.

One&Only Le Saint Géran is north facing and basks on the golden peninsula of Belle Mare on the island's northeast coast, surrounded by 60 acres of tropical gardens and thousands of swaying coconut trees. Immortalised in Bernadin de Saint Pierre's novel 'Paul et Virginie', the peninsula is near the site of Le Saint Géran shipwreck. One hour from the airport and 40 minutes from the capital Port Louis.

Mauritius has two seasons: summer from October to April and winter pleasantly cool and dry from May to September. Either way, it's a perfect year-round destination. Daily high temperatures range from 22°C (72°F) in winter to 31°C (88°F) in summer. Water temperatures vary between 22°C (72°F) and 27°C (81°F). The currency is the Mauritian rupee.
