

LE PARADISE COVE & SPA

A BOUTIQUE HOTEL

Location and portrait: Paradise Cove Hotel and Spa is situated on the extreme North coast, 60 km from the airport and 5 km from Grand Bay, at Anse La Raie on an area of 5234 m². This charming residence is the most intimate upmarket property in Mauritius. Entirely renovated at the beginning of 2003, the 67 rooms combine harmoniously the modern comfort and a decor where precious wood, brilliant silks and vibrating colours are reminiscences of Pondichery d`antan. They snuggle up in an awarded tropical garden and surround a secluded cove offering the guests a unique private beach.

The peninsula, with its small love nests for two, offers a spectacular and romantic sight on one of the widest lagoons of Mauritius as well as on the five northern islands.

The Paradise Cove Hotel and Spa offers a very personalized and warm service in the "Mauritian residence" style.
